Airport Gardens Forms Organization

On Tuesday, March 16th, a group of residents of Airport Gardens met in the Dennis Wooten Elementary School for the purpose of forming a Community Organization.

Bill Nichols called the meeting to order and minutes of a previous meeting were read by Mrs. Charlie Fugate. Some expressed a desire to form an organization and the following were elected officers—Bill Nichols, President; Charlie Fugate, Vice President; and Mrs. Fred Skaggs, Secretary and Treasurer. It was suggested that inquiries be made concerning the security of fire hose for the community. The following Civil Defense Committee was appointed—Tom Sutton, P. H. Combs and Kenneth Zimmerman.

Gene Combs said that a concentrated effort would continue for about a month to clean and beautify the county with various agencies helping. He said that about eight dumps would be made available for disposing of debris, garbage, etc. He also stated that a committee from U. K. would be coming again soon to try to locate a site for the Extension Center and that if our community was real clean and attractive that it would be more of an incentive for the Committee to decide on the site.

He also suggested that if people failed to clean up their premises that the organization might send out letters suggesting they do.

Mrs. Charlie Fugate reported on suggestions from the Home-makers Organization concerning the clean up. Each property owner clean up fence rows, plant flowers, plant and try to beautify premises, cooperate with school children who would probably bring check sheets around and also report any painting or clean up work done. She also suggested that everyone try to clean up vacant lots.

A committee was also selected to deliver a petition to the County Judge and Highway Department concerning the improvement of the roads in Airport Gardens.

It was suggested that at the next meeting April 20th at 7:30 p.m. that the organization have representatives from the Health Department and Civil Defense Organization.

The following people attended in addition to ones previously mentioned: Oliver Lytle, Fred Lawson, Edward White, Lester Parsons, Mr. and Mrs. Mike Frost, Mrs. Kenneth Zimmerman, Mrs. Mitchell Fraley, Mrs. Ben Baker, Mrs. P. H. Combs, Mrs. Clyde Dixon, Mrs. Arlie Mosley, Mrs. Meurer, Mrs. Jim Cole, Mrs. Verda Osborn, T. H. Logan and Dave Campbell.

Some underprivileged Perry County boys may have more fun this summer than they counted on, thanks to the Kentucky State Police, who will administer a boy's camp on "Trooper Island" in Dale Hollow Reservoir in Clinton County, Kentucky.

Open to boys from 10 to 14, the camping season will consist of 8 one-week periods between June and August.

State Police are now accepting contributions in their "Buck For A Boy" drive to sponsor the youths at camp free of charge.

They have announced that community civic clubs are invited to sponsor a youth on their own, for \$10 each per week.

Contributions should be mailed to "Buck For A Boy", Kentucky State Police Boy's Camp, Inc., Frankfort, Kentucky.

Dynamite Blast Rocks Combs' Home on Broadway Here

Shown above is the home of Mr. and Mrs. Fred Combs shortly after a dynamite blast rocked the Broadway residence around midnight Friday. Mr. and Mrs. Combs were asleep in the house but were not injured. Damage will run quite high according to officials.

The white dots in the picture are snowflakes that were falling at the time the photo was taken.

Kiwanis Club Hears Reports From Committees At Meeting

The weekly dinner meeting of Hazard Kiwanis at Don's Tuesday, March 16, was devoted almost entirely to a discussion of club business and reports from various committees.

Paul Keen, chairman of the club's Clean-Up Committee, named various members to visit five specified areas of Perry County and obtain signed agreements from property owners to rid their property of discarded auto bodies, auto parts and debris. After agreements have been obtained, the State Highway Department will make available vehicles for the removal of debris to an approved depository. Property owners are not requested to personally remove the debris but, simply, to agree to allow for the clean-up of their property. Kiwanians are cooperating with Mrs. Gene Combs and her PCDA Clean-Up Committee in this phase of the CLEAN-UP DRIVE.

Frank Baker, chairman of Kiwanis Broom Sales Committee, reported satisfactory progress in sales of brooms and mops. However, because of the State basketball tournament during the week, Mr. Baker has extended the current BROOM SALES through the week of March 22-27. Residents are encouraged to phone 436-4947 or 436-3175 if a Kiwanian has not yet made contact. The degree of success in this drive determines, in large measure, the capability of Kiwanis participation in community endeavors.

An inter-club meeting held at Cumberland Falls State Park, Thursday, March 18, when Cor-

bin Kiwanis Club hosted a District Ladies Night was discussed. International President-elect Edward C. Keefe was the principal speaker, with Lt. Governor O. Allen Wills presiding. Also expected to be present were International Treasurer Clyde Glass, Past-International Treasurer Lee Campbell, Past Governors Marvin Music, Robert A. Blair and Virgil Eversole. Local Kiwanians and Kiwanians who planned to attend were Lt. Governor Raymond and Cassie Roberson, Vice-President Frank and Abbie Baker, Secretary Beckham and Rose Caudill and President George and Dorothy Pendleton.

The Kiwanis Club generally and the BROOM SALES DRIVE particularly are suffering the absence of Kiwanian Nin Combs, who is a patient at Hazard A. R. Hospital, recovering from a recent heart attack. Each Kiwanian extends to Nin their best wishes for a speedy and complete recovery.

Homes and School Severely Damaged By Dynamite Blast

A dynamite blast rocked the home of Mr. and Mrs. Fred Combs on Broadway around midnight Friday.

According to Hazard Police Chief Bud Luttrell, from two to seven sticks of dynamite were used in the act.

Damage to the Combs home was quiet heavy. Several surrounding homes were damaged as was the Roy G. Eversole Elementary school across the street.

Mr. and Mrs. Combs were asleep in the rear of the house at the time of the explosion but were not injured.

Combs, a state ABC agent, and a local auto parts merchant.

According to Chief Luttrell finding the party that did this, "Is like finding a needle in a haystack. Combs is a lawman and like all lawmen he makes a lot of enemies."

This is the first explosion in Hazard since late 1962 and early 1963.

Two weeks ago an explosive charge was placed under Perry Circuit Judge Don A. Ward's car but it was discovered before the fuse was able to ignite the charge.

The Logwood Grocery at Happy was broken into but the owner said he would have to take an inventory to determine what was missing.

Butch Beard, the do everything cager for state champ Breckinridge County, heads the 1965 all-state tournament team.

Joining Beard on the "Dream Team" are: Chester Rose and Freddy Hogg of Hazard; Jay Harrington of Breck. County; Dave Hickey and Dave Meyer of Holy Cross; Gerald Tuttle of Hazel Green; Mike Casey of Shelby County; Robert Washington of Lexington Dunbar and James Bryant of Louisville Central.

Rarely does a state tournament team have a slogan but the Breck. County Bearcats have. According to coach Don Morris there's a sign over the dressing room door in the home gym of the Bearcats in Hardinsburg that reads: "A Team That Won't Be Beat, Can't Be Beat."

Roscoe Shackelford, the dejected coach who watched his team blow a fourth period lead and lose to Breck. County in

the Semi-Finals spent most of the championship game in the hallway of Freedom Hall "I just can't stand to stay in there and watch that game," the disgruntled mentor commented.

We'll take all bets that Butch Beard is Mr. Basketball for Kentucky in the all-star series between Kentucky and Indiana this summer.

During all the celebrations at Breckinridge County High yesterday no one mentioned that next year Breck County will consolidate with Irvington High.

Butch Beard, the most sought after Kentucky cager this season, has narrowed his choice of colleges to four. Kentucky, Murray, Western and Louisville are the four under consideration.

Beard says he will wait until this summer to make his final decision.

Fishing Report From Kentucky Lakes

The first attempt of the year by white bass to stir up some activity at the heads of the lakes has been foiled by heavy rains. Limits amounts of action had been detected in the heads of the creeks flowing into Lake Cumberland and at Yamacraw on the South Fork of the Cumberland River, according to the Department of Fish and Wildlife Resources.

Following is a lake by lake rundown.

Herrington Lake—Black bass by jigging nightcrawlers at night and casting medium deep

runners during the day. Temperature 46, muddy in the upper section and clear in the lower half.

Lake Cumberland—Black bass best by jigging big minnows and night crawlers and by casting medium deep runners in inlets and bays. Some fair crappie along brushy banks on minnows at four to eight feet. White bass action at the heads of creeks stopped by muddy water. Trout below the dam fair on worms and cheese. Temperature 44 to 50, murky in the main lake and muddy at the heads of the creeks.

Breckinridge Co. Wins First State Crown

Holy Cross Is Runnerup; Hazard Falls In Semi-Finals; Beard Paces 4th Region Champs To First Title

The small but big hearted Bearcats from Breckinridge County walked off with the first State High School Basketball championship for the 4th region in Louisville's Freedom Hall Saturday night.

Breckinridge County smothered surprise finalist Covington Holy Cross 95-73 in the 8 p.m. finale.

Reaching the finals was no easy task for the Bearcats of Don Morris. Earlier in the day they came from 11 points down to defeat 14th region king Hazard 72-68 in the upper bracket semi-finals.

Hazard appeared to have command early in the contest as Roscoe Shackelford's strategy was to feed the ball to Chester Rose and let him drive to the basket in hopes of fouling Breck County's Butch Beard out.

Rose scored Hazard's first 12 points and 14 of the first 18. Hazard led 16-10 after one period but the Bearcats, on back to back buckets from Jay Harrington and Beard cut the lead to two, 16-14 early in the second period.

With three minutes left on the first half the incomparable Beard tied the score 26-26. After Hazard's Jim Rose and Breck's Harrington exchanged baskets Freddy Hogg tallied back to back two pointers and Paul Feltner added a fielder to move Hazard up by six 34-28 with :30 to go in the half.

Beard added two free throws at the expense of Hogg to cut the margin to four 34-30 at halftime.

Hazard gained its 11 point lead mid-way in the third period on a three point trip by Chester Rose to make the count read 43-32.

Freddy Hogg committed his fourth foul with 2:20 left in the third period. Beard connected on the free toss and Harrington followed with a fieldgoal to cut the margin to four 49-45 with 1:30 left in the third period.

Beard fouled out of the contest with 5:33 remaining and it looked like a trophy for the 14th region as the experts were

saying that the winner of this game would be the heavy favorite to cop the crown.

Hazard was on top 59-52 when Beard went out and a lot of people were thinking that the Bearcats would fold without their superstar.

Ed Patterson, Beard's replacement, quickly cracked the scoring column to cut the lead to 59-54.

Bobby Lyons fouled Jim Rose and the Hazard sophomore canned the gratis toss to make it 60-54 just before the fireworks started.

Lyons hit five straight points to cut the margin to one 60-59 with :45 to go.

With the crowd behind them the Bearcats had determination all over their faces.

Hazard pulled back out to a 66-61 lead but Harrington and Patterson canned back to back jumpers to pull with in one 66-64.

With 1:10 to go little Homer Gray connected to give the Bearcats the lead 67-66. Chester Rose got Hazard's last two points with a minute to go to make the count read 68-67.

Harrington canned two free throws, at the expense of Bill Morgan, with :23 to go to make the count read 69-68. Gray added another free throw with :12 left to put the Bearcats out by two 70-68.

After Hazard missed its last clear shot Cornell Payton added to free throws with :2 left to award the dramatic victory

Ministers To Meet At Bulan Monday

Evangelism In Depth for the Appalachian Region is coming to Hazard and Perry County. A meeting of ministers and Christian workers will be held in the Bulan Community Church, Bulan, Ky. on Monday, March 15 at 9:30 A.M. for the purpose of introducing Evangelism In Depth and for the possibility of organizing a committee to lay the ground work for Evangelism In Depth in Hazard and Perry County.

The Evangelism In Depth program has effectively worked in several Latin American countries. This program, however, will be modified to meet the needs of Appalachia.

The Rev. Garland Franklin of Knott County, chairman of the central coordinating committee will be present at the meeting on Monday to explain Evangelism In Depth and the suggested outline of operation.

All pastors, Christian workers and interested laymen are urged to attend this meeting as the forces of truth and righteousness unite to combat the forces of evil at work in Appalachia.

The Hazard Boosters Club would like to take this opportunity to express its appreciation for the open-hearted contributions of the people of this area so that the Hazard High School Band could go to Louisville and support the Hazard High School Basketball Team.

We would like to thank the staff and management of WKIC AM-FM and WKIC-Hazard TV and the staff and management of The Hazard Herald for their splendid cooperation in assisting us in the raising of \$2,000.00 for the band's expenses.

I, Jesse Paul Engle, wish to announce my filing as a candidate for Magistrate subject to the Republican Primary, May 25, 1965.

I am the son of the late James H. and Lucinda Smith Engle of Troublesome Creek, Ky., Kentucky. While I was still quite young my family moved to the Bulan community where I have continued to live and make a home for my wife and me.

I am married to Ella Hughes, daughter of Zack Hughes, deceased and Martha Stacy Hughes.

I submit the following in support of my candidacy making it possible for you, the voters of District 4, to decide as to whether I am qualified to serve as your magistrate:

I am a veteran of World War II, having served with the Ninth (9th) Troop Carrier Command, European Theater of Operations, and received a medical discharge in 1945.

I have been engaged in private and public accounting while employed with the Smith's Shopping Center at Bulan, Kentucky for the past 15 years.

I am a graduate of Dudley High School and attended Lee's Junior College, Jackson, Kentucky and Bowling Green Business University, Bowling Green, Ky.

If nominated in the Republican Primary on May 25, 1965 and elected in the General Election in November 1965, the following will be my efforts:

To work with the Fiscal Court in an effort to improve the image of our county at Home and on the State and National level.

The recent passage of the Appalachian Anti-Poverty Bill makes it necessary for our people to elect those county officials that are best qualified to aid and use All agencies in obtaining the best and greatest benefits for our people.

If nominated in the Republican Primary on May 25 and elected as Magistrate of District 4 in the General Election in November:

I will maintain a modern and up-to-date record of all business transacted by my office, and will publish a quarterly statement of all revenue collected and expended.

If this brief statement of my background and proposals, if elected, make me worthy of your confidence and vote, I will be most humble and grateful.

When casting your vote on May 25, make sure you are voting for those candidates that are best qualified and trained in executing the fiscal affairs of our county.

Loan Approved For Louisa Foundation

The U. S. Department of Commerce today announced approval of a \$771,000 industrial loan to help the Louisa Industrial Foundation, Louisa, Kentucky, establish a plant for the manufacture of carpets.

William L. Batt, Jr., Administrator of the Department's Area Redevelopment Administration, said the project is expected to create 142 direct new jobs when it becomes fully operational.

The Foundation, a local development organization, plans to construct and equip a complete tufted carpeting facility, which is then to be leased to the P and W Carpet Mills, Inc.

SAUL

Begley's Announce Birth Of Son;

Luther Rice Home From VA Hospital

By Ambrose Rice

The Nine Oneida Institute school children are enjoying their Spring Vacation at their homes in Saul. Have fun, kids!

Our sympathy goes out to the the Woods family in the loss of their father and husband, Mr. Carr Woods, who died March 17. Mrs. Woods was the oldest member of the Mount Paran Baptist Church. He raised a large family and lived most of his life on Leatherwood.

Mr. and Mrs. Arley Finley, of Franklin, Ohio, visited Mrs. Finley's parents, Mr. and Mrs. Jesse Barger, over the weekend.

Mr. Don Rice, who is employed at Hazard, visited his parents, Mr. and Mrs. Ambrose Rice, over the weekend.

Miss Edna Spurlock and Miss Mary Emma Hinkle were guests of Miss Cathy Woods Sunday.

Mr. and Mrs. Granville Jr. Smith of Leslie County visited Mrs. Alpha Smith Sunday after noon.

Mrs. Jean Rice is spending some time with her parents, Mr. and Mrs. Hubert Barger, in Indiana.

Mr. and Mrs. Felix Woods visited Mr. and Mrs. John Delbert Hinkle Sunday.

Mr. and Mrs. Amon McIntosh of Richmond were guests of Mr. and Mrs. J. M. Spurlock Sunday.

Alice Bowling has been very ill at her home. We hope you are feeling better, Mrs. Bowling.

Mrs. Mary Jane Gibson has been very ill but is now improving.

Around ten of the unemployed fathers on Leatherwood have been called down to help clean up around the Lake.

Mrs. Maggie Barger is very ill at her home.

The reason there hasn't been any Saul news lately is that your writer has been very ill with the flu, but after a visit to the doctor and a weeks treatment, he is much improved.

Farmers around Saul have begun to farm now sowing tobacco beds, lettuce beds, planting potatoes and trimming apple trees.

Mr. Joe Baker of Chavies was moved in the house with Mr. and Mrs. Dudley Estep. Mr. Baker has been very busy since moving to Saul, making home made rakes, sleds and plow stocks and brought a mule. Just another thing to prove Spring is just around the corner.

Pleaz Begley's In-herit Fourth Son; Named Ervin Joe

Mr. and Mrs. Pleaz Begley's are the parents of a fourth son. They chose the name Ervin Joe. He was born in the Hyden Hospital around two weeks ago.

Mr. and Mrs. A. L. Davidson baby son is back home after spending sometime in the hospital. He is improving slowly.

Craft Serves On USS Dewey

Gunner's Mate Third Class Carlos D. Craft, USN, son of Mrs. Juna F. Craft of Sassafras, Ky., is serving aboard the guided missile destroyer USS Dewey, visiting Naples, Italy March 6-16 while deployed with the U. S. Sixth Fleet in the Mediterranean.

The Dewey departed Norfolk, Va., in mid-February for a five-month cruise with the Sixth Fleet. Armed with anti-submarine rockets and surface-to-air Terrier missiles, the Dewey has joined other destroyers in providing anti-submarine and anti-aircraft support for one of two attack carrier strike groups in the Sixth Fleet.
